

U.S. Embassy Consolidates Consular Services for U.S. Citizens in Galicia

The U.S. Consular Agency in A Coruña, informs U.S. citizens that as of Monday, September 30 the U.S. Consular agency will no longer provide regular consular services. Beginning October 1, U.S. citizens residing in or visiting the province of Galicia may apply for passports, reports of birth, notaries, and other consular services directly at the U.S. Embassy's Consular Section in Madrid, at the Consulate General in Barcelona or at one of five Consular Agencies throughout Spain, located in Seville, Valencia, Las Palmas, Malaga, and Palma de Mallorca.

The decision to close the A Coruña consular Agency was taken after serious and careful deliberation and directly responds to changing budget realities facing the Department of State.

"The U.S. Embassy remains fully committed to providing for the consular needs of all American citizens in Spain," said U.S. Consul General Kathleen Hennessey. She continued by noting that, following the closure of the Consular Agency in A Coruña, consular staff from the U.S. Embassy in Madrid will conduct regular outreach visits to Galicia and other nearby provinces to maintain support to the region.

We strongly recommend that U.S. citizens traveling to or residing in Spain enroll in the Department of State's Smart Traveler Enrollment Program (STEP). STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

We advise U.S. citizens to regularly monitor the State Department's website, where you can find current Travel Warnings, Travel Alerts, and the Worldwide Caution. We also suggest you read the Country Specific Information for Spain. For additional information, refer to "A Safe Trip Abroad."
